

National Human Rights Commission- "An Appeal"

The last few years of ongoing-armed conflict and other factors have witnessed numerous cases of enforced disappearance carried out by Security Forces, CPN- Maoist and other anonymous groups. National Human Rights Commission has been receiving an overwhelming number of such complaints filed by victim's family, friends, relatives, well wishers and other different organizations and below are enlisted the name and other details of victims of disappearance as per the complaint records of NHRC. The status of these disappeared people is still unknown. NHRC summons and heartily requests all the individuals and families related to the victim, civil society, political parties, different human rights organizations, professional institutions, government bodies and national/international non-governmental organizations to provide significant information regarding these enlisted individuals and update their present status whether they are detained, under custody, undergoing trials, released or returned home with their respective contact details, telephone numbers and other essential information and assist NHRC in its mission of protection and promotion of human rights.
